

# SongVersus AI Rules Cheat Sheet

## General AI Policy

- **✗ Fully AI-generated songs are NOT allowed** (except in tournaments).
- **✓ AI vocals are allowed** only for production purposes:
  - Backing harmonies
  - Ad-libs
  - Vocal textures
- **⚠ Main performance must always be human outside tournaments.**

## AI Usage Disclosure

- Always disclose AI use in your submission metadata. Example:
- “Contains AI-generated backing vocals”
- Failure to disclose may lead to **song removal or account penalties**.

## Tournaments & Exceptions

- Some tournaments may allow **fully AI-generated songs**.
- Check the tournament rules carefully before submitting.
- Outside of these tournaments, **human creativity is required**.

## Best Practices

- Use AI to enhance your music, not replace it.
- Keep the main vocals, lyrics, and composition human.
- Transparency is key: your listeners should know what is AI-generated.
